Napoleon: The Good, The Bad, and The Ugly

- ✿ The Good. The Code Napoleon modernized the French legal system, the central bank, the educational system.
- ✿ The Bad. His misogyny limited women's education and social roles and prevented their significant contributions.
- ✿ The Ugly. A racist colonizer, warmonger, and enslaver, Napoleon came to power in a coup.

Napoleon is one of the most celebrated and controversial political figures in human history. Flawed and violent, his leadership changed the course of history.

Wednesday, July 20, 2022, beginning 5:00 - 7:00pm
